

# Indo-Pacific Aviation Security Technology Symposium

U.S. companies are invited to join USTDA's Indo-Pacific Aviation Security Technology Symposium, a platform to engage with Indo-Pacific and U.S. aviation security agencies. U.S. participants can demonstrate solutions, showcase technologies, and exchange best practices that support aviation security across the Indo-Pacific.

DATE **September 17-18, 2026**

TIME **8:30-5:00 ICT**

PLACE **Bangkok, Thailand**

## Background

The two-day Aviation Security Technology Symposium will include presentations from **Indo-Pacific aviation security experts**, the U.S. **Transportation Security Administration (TSA)**, and **U.S.-based aviation security companies**. Topics will include regulatory frameworks and compliance, TSA's Checkpoint Requirement and Planning Guide, innovations in screening equipment and processes, drone threats and countermeasures, and cybersecurity. Growing investments in aviation infrastructure across the Indo-Pacific are creating new opportunities for U.S. companies to deliver innovative aviation security solutions.

## About USTDA

The U.S. Trade and Development Agency is the U.S. government's first mover on critical infrastructure development in emerging markets, advancing the shared strategic priorities of the United States and our overseas partners while creating opportunities to deploy trusted U.S. solutions. USTDA funds the upfront technical work that accelerates the development of infrastructure projects, helping them attract the financing they need for implementation and procurement of U.S. goods and services.
