- B. Except as provided in these game procedures, a Qualifying Play which wins one (1) of the eight (8) lowest lump sum Set Prizes will be multiplied by the number selected, either two, three, four, or five (2, 3, 4, or 5) in a separate random All Star Bonus drawing announced during the official Lotto America drawing show.

2.2 All Star Bonus Draws

MUSL will conduct a separate random All Star Bonus drawing and announce results during each of the regular Lotto America drawings held during the promotion. During each Lotto America drawing a single number (2, 3, 4, or 5) will be drawn. The MUSL Lotto America Product Group may modify the multiplier features for special promotions from time to time.

2.3. Prize Pools

All Star Bonus Prize Pool. The prize pool for all prize categories will consist of up to 49.598% of each drawing period's sales. The All Star Bonus Prize Pool will be carried forward to subsequent draws if all or a portion of it is not needed to pay the power play prizes awarded in the current draw and held in the All Star Bonus Pool Account.

All Star Bonus Pool Account. An additional zero and sixty-four hundredths (0.402%) of sales may be collected and placed in trust in the All Star Bonus Pool Account for the purpose of paying All Star Bonus prizes. Any amount remaining in the All Star Bonus Pool Account at the end of this game will be returned to all lotteries participating in the account after the end of all claim periods of all selling lotteries, carried forward to a replacement game, or expended in a manner as directed by the MUSL Lotto America Product Group.

2.4. Limitation on Payment of All Star Bonus Prizes

If the total of the Lotto America set prizes and the All Star Bonus prizes awarded in a drawing exceeds the percentage of the prize pools allocated to the set prizes, the amount needed to fund the set prizes (including the All Star Bonus prize amounts) awarded will be drawn from the following sources in the following order: (i) the amount allocated to the set prizes and carried forward from previous draws, if any; (ii) an amount from MUSL Lotto America prize reserve accounts, if available. If, after these sources are depleted, there are not sufficient funds to pay the set prizes awarded (including All Star Bonus prize amounts), the highest set prize (including the All Star Bonus prize amounts) will become a pari-mutuel prize. If the amount of the highest set prize, when paid on a pari-mutuel basis, drops to or below the next highest set prize and there are still not sufficient funds to pay the remaining set prizes awarded, the next highest set prize, including the All Star Bonus prize amount, will become a pari-mutuel prize. This procedure will continue through all set prizes levels from highest to lowest dollar amounts, if necessary, until all set prize levels become pari-mutuel prize levels. In

that instance, the money available from the funding sources listed in this rule will be divided among the winning plays in proportion to their respective prize percentages. Prizes that become pari-mutuel prizes under these procedures may be rounded down so the prizes can be paid in whole dollars. Breakage resulting from rounding these prizes will be carried forward to the prize pool for the next drawing.

3.0. Expected Prize Payout

Except as provided in these procedures, all prizes awarded will be paid as Set Cash Prizes as indicated below:

Numbers Matched	Prize Amount	5X	4X	3X	2X
5 + 0	\$20,000.00	\$100,000.00	\$80,000.00	\$60,000.00	\$40,000.00
4 + 1	\$1,000.00	\$5,000.00	\$4,000.00	\$3,000.00	\$2,000.00
4 + 0	\$100.00	\$500.00	\$400.00	\$300.00	\$200.00
3 + 1	\$20.00	\$100.00	\$80.00	\$60.00	\$40.00
3 + 0	\$5.00	\$25.00	\$20.00	\$15.00	\$10.00
2 + 1	\$5.00	\$25.00	\$20.00	\$15.00	\$10.00
1 + 1	\$2.00	\$10.00	\$8.00	\$6.00	\$4.00
0 + 1	\$2.00	\$10.00	\$8.00	\$6.00	\$4.00

In certain rare instances, the Lotto America Game set prize amount may be less than the amount shown. In such cases, the eight (8) lowest Power Play prizes will be changed to an amount announced after the draw. For example, if the Match 4 + 1 Lotto America set prize amount of \$1,000.00 becomes \$500.00 under the rules of the Lotto America game and a 5x multiplier is selected, an All Star Bonus player winning that prize amount would win \$2,500.00.

4.0 Probability of Winning

The following table sets forth the probability of the various All Star Bonus Multiplier numbers being drawn during a single 5X Multiplier drawing. The MUSL Lotto America Group may elect to run limited promotions that may modify the multiplier features.

All Star Bonus	Probability of Prize Increase
5X – Prize Won x 5	3 in 32
4X – Prize Won x 4	4 in 32
3X – Prize Won x 3	10 in 32
2X – Prize Won x 2	15 in 32

The All Star Bonus does not apply to the Lotto America Grand Prize.

5.0 Prize Payment

All of the All Star Bonus prizes will be paid in one lump sum by the Lottery. The Lottery may begin paying All Star Bonus prizes after receiving authorization to pay from the MUSL central office. Prizes that may become pari-mutuel prizes under these

procedures may be rounded down so the prizes can be paid in whole dollars. Breakage resulting from rounding these prizes will be carried forward to the prize pool for the next drawing.
