2.0. Game Description

POWERBALL® is a five (5) out of sixty-nine (69) plus one (1) out of twenty-six (26) lotto game which pays the grand prize, at the election of the player made in accordance with these procedures, either on an annuitized pari-mutuel basis or as a cash lump sum payment of the total cash held for this prize pool on a pari-mutuel basis. Except as provided in these procedures, all other prizes are paid on a set cash basis. To play POWERBALL® a player shall select five (5) different numbers, between

one (1) and sixty-nine (69) and one (1) additional number between one (1) and twenty-six (26), for input into a terminal operated by a retailer. The additional number may be the same as one (1) of the first five (5) numbers selected by the player. The player may select each set by communicating the six (6) numbers to the retailer, or by marking six (6) numbered squares in any one (1) game board on a play slip and submitting the play slip to the retailer or by requesting a "quick pick" from the retailer. The retailer will then issue a ticket, via the retailer terminal, containing the selected set or sets of numbers, each of which constitutes a game play.

2.1. Claims

A ticket shall be the only proof of a game play or plays and the submission of a winning ticket to the issuing Lottery or an authorized retailer shall be the sole method of claiming a prize or prizes. A play slip has no pecuniary or prize value and shall not constitute evidence of ticket purchase or of numbers selected. A terminal produced paper receipt has no pecuniary or prize value and shall not constitute evidence of a ticket purchase or of numbers selected.

2.2. Cancellations Prohibited

A ticket may not be voided or canceled by returning the ticket to the selling retailer, including tickets that are printed in error.

2.3. Player Responsibility

It shall be the sole responsibility of the player to verify the accuracy of the game play or plays and other data printed on the ticket. The placing of plays is done at the player's own risk through the retailer who is acting on behalf of the player in entering the play or plays.

2.4. Price of Ticket

- A. The price of each POWERBALL[®] play shall be \$2.00 and shall contain one (1) play.
- B. A retailer may discount the sales price of a ticket in this game, if the reduction in price is part of a store-wide discount promotion on all purchases (lottery and non-lottery) made by the player. The discount of the price shall not relieve the retailer from the obligation to pay the Lottery the full price of a ticket as stated in this section.

2.5. Play Slip and Ticket Characteristics and Restrictions

- A. The player shall select, or request selection by computer, six (6) numbered squares on a play slip. Play slips shall be available at no cost to the purchaser. The minimum entry is \$2. A play slip has no pecuniary or prize value and does not constitute evidence of purchase or numbers selected.

- B. To purchase a ticket, players shall, in addition to the purchase price and any fee associated with a ticket purchase, submit the completed play slip, or request number selection by quick pick to an authorized retailer to have issued a standard game ticket which shall contain the six (6) number selections played in each game grid, the drawing date, amount bet, and validation number data. This standard game ticket shall be the only valid proof of the bet placed, and the only valid receipt for claiming a prize. The standard game ticket shall only be valid for the drawing date or dates printed on the ticket.
- C. If play slips are unavailable, plays may also be given to an authorized retailer in groups of six (6) number selections for each \$2 wagered. The selections shall be manually entered into the computer terminal by the retailer.
- D. A player may select numbers for up to fourteen (14) drawings, specifically the next drawing and the thirteen (13) subsequent drawings.
- E. No ticket may be purchased or issued for a drawing within a specified time, to be designated by the Director, of that drawing.
- F. Plays may only be entered manually using the Lottery terminal's keyboard, or by means of a play slip provided by the Lottery and hand-marked by the player or by such other means approved by the Lottery.
- G. A retailer may not permit the use of facsimiles of play slips, copies of play slips, or other materials that are inserted into the lottery's computer terminal's play slip reader that are not printed or approved by the Lottery.
- H. A retailer may not permit any device to be connected to the Lottery's computer terminal to enter plays, except as approved by the Lottery.

2.6. Time, Place and Manner of Conducting Drawing

- A. Time of Drawing POWERBALL® drawings will be held twice a week at 9:59 p.m. central standard time on Wednesday and Saturday, provided that the Director or the MUSL POWERBALL® Product Group may change the time of the drawing without notice.
- B. Place of Drawing POWERBALL® drawings will be conducted by MUSL in places designated by the MUSL POWERBALL® Product Group.
- C. Manner of Conducting drawings MUSL will draw at random, five (5) numbers between one (1) and sixty-nine (69) and one (1) number between one (1) and twenty-six (26), which will be known as the winning numbers.

3.0. Prize Pool

The prize pool for all prize categories shall consist of fifty percent (50%) of each drawing period's sales, including tax, after the prize pool accounts and prize reserve

accounts are funded to the amount set by the MUSL POWERBALL® Product Group. Any amount remaining in the prize pool at the end of this game shall be carried forward to a replacement game or expended in a manner as directed by the members of the MUSL POWERBALL® Product Group.

3.1. Prize Pool Accounts and Prize Reserve Accounts

An amount up to five percent (5%) of sales, including tax, shall be placed in one (1) or more prize pool accounts and prize reserve accounts until the prize pool accounts and prize reserve accounts reaches the amount designated by the MUSL POWERBALL® Product Group. Once the prize reserve account exceeds the designated amount, the excess shall become part of the prize pool. Any amount remaining in a prize reserve account at the end of this game shall be carried forward to a replacement prize pool account and prize reserve account or expended in a manner as directed by the MUSL POWERBALL® Product Group.

3.2. Expected Prize Payout Percentages

A. The grand prize shall be determined on a pari-mutuel basis. Except as provided in these procedures, all other prizes awarded shall be paid as set cash prizes with the following expected prize payout percentages:

<u>Prize Pool</u>		
<u>Number of Matches Per Play</u>	<u>Prize Payment</u>	<u>Percentage Allocated to Prize</u>
All five (5) of first set plus one (1) of second set	Grand Prize	68.0131%
All five (5) of first set plus none (0) of second set	\$1,000,000.00	8.5558%
Any four (4) of first set plus one (1) of second set	\$ 50,000.00	5.4757%
Any four (4) of first set plus none (0) of second set	\$ 100.00	0.2738%
Any three (3) of first set plus one (1) of second set	\$ 100.00	0.6899%
Any three (3) of first set plus none (0) of second set	\$ 7.00	1.20747%
Any two (2) of the first set plus one (1) of second set	\$ 7.00	0.9981%

Any one (1) of the first set plus one (1) of second set	\$	4.00	4.3489%
None (0) of first set plus one (1) of second set	\$	4.00	10.4373%

- B. The prize money allocated to the grand prize category shall be divided equally by the number of plays winning the grand prize.
- C. The set prize pool (for cash prizes of one million dollars (\$1,000,000.00) or less) shall be carried forward to subsequent draws if all or a portion of it is not needed to pay the set prizes awarded in the current draw. If the total of the set prizes awarded in a drawing exceeds the percentage of the prize pool allocated to the set prizes, then the amount needed to fund the set prizes, including Power Play prizes, awarded shall be drawn from the following sources, in the following order: (1) the amount allocated to the set prizes and carried forward from previous draws, if any; and (2) an amount from the set prize reserve account, if available, not to exceed forty million dollars (\$40,000,000.00) per drawing. If, after these sources are depleted, there are not sufficient funds to pay the set prizes awarded, including Power Play prizes, then the highest set prize shall become a pari-mutuel prize. If the amount of the highest set prize, when paid on a pari-mutuel basis, drops to or below the next highest set prize and there are still not sufficient funds to pay the remaining set prizes awarded, then the next highest set prize shall become a pari-mutuel prize. This procedure shall continue down through all set prize levels, if necessary, until all set prize levels become pari-mutuel prize levels. In that instance, the money available from the funding sources listed in this procedure shall be divided among the winning plays in proportion to their respective prize percentage. Powerball Set Prizes and Power Play prizes will be reduced by the same percentage.

3.3. Probability of Winning

The following table sets forth the probability of winning and the probable distribution of winners in and among each prize category, based upon the total number of possible combinations in POWERBALL[®]. The overall odds of winning a prize are 1:24.8671.

Any one (1) of the first set plus one (1) of second set	1:91.9775	\$	4
None (0) of first set plus one (1) of second set	1:38.3239	\$	4

3.4. Grand Prizes

- A. Grand prizes shall be paid per a winner annuity except a player may elect to receive the grand prize in a single cash payment provided the election is made by the player within 60 days after the player becomes entitled to the prize. The election to take the single cash payment may be made at the time the prize is claimed or within 60 days following the date that the Lottery determines that the player is entitled to the grand prize. An election made by a player to receive the prize via an annuity or in a single cash payment is final and cannot be revoked, withdrawn or otherwise changed.
- B. Shares of the grand prize shall be determined by dividing the cash available in the grand prize pool equally among all winning plays of the grand prize. Winner(s) who elected cash payment shall be paid their share(s) in a single cash payment. The annuitized option prize shall be determined by multiplying a winner's share of the grand prize by the MUSL Annuity Factor. The MUSL Annuity Factor is determined through a process as approved by the Finance and Audit Committee. Neither MUSL nor the Lottery shall be responsible or liable for changes in the advertised or estimated annuity prize from the time the drawing occurs and the date that the player makes the election regarding method of prize payment.
- C. In certain instances announced by the MUSL POWERBALL® Product Group, the grand prize shall be a guaranteed amount and shall be determined pursuant to Section 3.10.
- D. If the individual shares of the cash held to fund an annuity is less than \$250,000, the MUSL POWERBALL® Product Group, in its sole discretion, may elect to pay the winners their share of the cash held in the grand prize pool.

- E. All annuitized prizes shall be paid in thirty (30) payments with the initial payment being made in cash, to be followed by twenty-nine (29) payments funded by the annuity. The initial payment of an annuitized prize may be made by the Lottery upon validation of the winning ticket. Each subsequent payment shall increase each year by a rate as determined by the MUSL POWERBALL® Product Group. Prize payments may be rounded down to the nearest one thousand dollars (\$1,000.00). Annual payments after the initial payment shall be made on the anniversary date of the selection of the grand prize winning numbers or if such date falls on a non-business day, the first business day following the anniversary date.
- F. In the event of the death of a lottery prize winner and upon petition of the estate of the lottery prize winner, the MUSL POWERBALL® Product Group may accelerate payment of all remaining proceeds from the winning ticket to the estate of the lottery winner by transferring to the estate the securities and/or cash being held to satisfy the prize requirements, or paying the estate the present value of the remaining payments of the lottery winner's prize. The valuation of the securities and determination of the present value of the accelerated lottery payments shall be at the sole discretion of the MUSL POWERBALL® Product Group.

3.5. Cash Prize Payments

All low-tier cash prizes (all prizes except the grand prize) shall be paid in cash by the Lottery. The Lottery may begin paying low-tier cash prizes after receiving authorization to pay from the MUSL central office.

3.6. Rollover

If the grand prize is not won in a drawing, the prize money allocated for the grand prize shall roll over and be added to the grand prize pool for the following drawing.

3.7. Limited to Highest Prize Won

The holder of a winning ticket may win in only one (1) prize per board in connection with the winning numbers drawn, and shall be entitled only to the prize won by those numbers in the highest matching prize category.

3.8. Prize Claim Period

Prize claims must be submitted within one (1) year of the drawing date except, if the one (1) year deadline is a Saturday, Sunday, or a legal holiday, a claim must be submitted by close of business the following business day. This Section 3.8 applies to all prize claims without regard to the method used to purchase a POWERBALL® ticket.

3.9. Prizes Rounded

Annuitized payment of the grand prize or a share of the grand prize may be rounded to facilitate the purchase of an appropriate funding mechanism. Breakage on an

annuitized grand prize win shall be added to the first cash payment to the winner or winners. Prizes other than the grand prize, which under these rules may become single-payment, pari-mutuel prizes, may be rounded down so that prizes can be paid in multiples of whole dollars. Breakage resulting from rounding these prizes shall be carried forward to the prize pool for the next drawing.

3.10. Funding of Guaranteed Prizes

The MUSL POWERBALL[®] Product Group may offer guaranteed minimum grand prize amounts or minimum increases in the grand prize amount between drawings or make other changes in the allocation of prize money where the MUSL POWERBALL[®] Product Group finds that it would be in the best interest of the game. If a minimum grand prize amount or a minimum increase in the grand prize amount between drawings is offered by the MUSL POWERBALL[®] Product Group, then the grand prize shares shall be determined as follows. If there are multiple grand prize winners during a single drawing, each selecting the annuitized option prize, then a winner's share of the guaranteed annuitized grand prize shall be determined by dividing the guaranteed annuitized grand prize by the number of winning plays. If there are multiple grand prize winners during a single drawing and at least one (1) of the grand prize winners has elected the annuitized option prizes, then the best bid submitted by MUSL's pre-approved qualified brokers shall determine the cash pool needed to fund the guaranteed annuitized grand prize. If no winner of the grand prize during a single drawing has elected the annuitized option prize, then the amount of cash in the grand prize pool shall be an amount equal to the guaranteed annuitized amount divided by the MUSL Annuity Factor. Changes in the allocation of prize money shall be designed to retain approximately the same prize allocation percentages, over a year's time, set out in these procedures. Minimum guaranteed prizes or increases may be waived if the alternate funding mechanism as set out in Section 3.2.C. becomes necessary. Approval of the Group is required to change the minimum Grand Prize amounts or minimum increases in the Grand Prize amount. Any reduction in the minimum Grand Prize amount or reduction in the minimum increases to the Grand Prize amount shall not become effective until after a Grand Prize win following the action taken by the Group.

The retailer shall verify the claim through use of the retailer terminal and, if valid, make payment of the amount due the player. In the event the retailer cannot verify the claim, the retailer shall provide the player with a claim form and instruct the player on how to file a claim with the Lottery.
