

**Minnesota State Lottery  
Game Rules  
Scratch Game #761  
“Double Match”**

**Adopted: June 4, 2019**

**1.1. Name of the Game**

The name of Scratch Game #761 is Double Match.

**1.2. Price of Each Ticket**

- A. Each Ticket for Scratch Game #761 costs two dollars (\$2.00).
- B. A retailer may discount the sales price of a Ticket in this game if the reduction in price is part of a storewide discount promotion on all purchases (Minnesota State Lottery [the “Lottery”] and non-Lottery) made by a player. The discount of the price does not relieve the retailer from the obligation to pay the Lottery the full price of a Ticket as stated in this section.

**1.3. Definitions**

- A. **“Bar Code”** means the unique bar-coded representation of the game Pack-Ticket Number and the Validation Number. The Bar Code is comprised of 20 decimal digits. The Bar Code is printed upside down at the bottom of the back of each Ticket in black ink.
- B. **“Display Printing”** means the part of each Ticket outside of the area where the Symbols appear after the latex coating is scratched away.
- C. **“Pack”** means a Pack of fan-folded Double Match Scratch Tickets that are separated by perforations the retailer tears when the retailer sells a Ticket. These fan-folded Tickets are packaged in plastic shrink-wrapping. A Pack consists of one hundred fifty (150) Tickets fan-folded, bearing a common Pack Number and having a Ticket number starting at 000 and continuing through 149.
- D. **“Pack-Ticket Number”** means the 13-digit code printed in Pack-Ticket Number font in black ink upside down on the back of each Ticket in the form 761-000001-1-000 (the 1 is an example and does not reflect the actual check-digit calculation for this Pack Number).
- E. **“Symbol”** means the images under the scratch-off area on the front of each Ticket. There are three (3) types of Symbols in the Double Match Scratch Game: Winning Number Symbols, Your Number Symbols, and Prize Symbols.

- 1. Winning Number Symbols are printed in black ink, as shown below.

2. Your Number Symbols are printed in black ink, as shown below.

3. Prize Symbols are printed in black ink, as shown below.

- F. **“Ticket”** or **“Scratch Game Ticket”** or **“Scratch Ticket”** means a Double Match Scratch Game #761 Ticket.
- G. **“Validation Number”** means a game-wide, unique 10-digit Validation Number that is printed in Validation font (0 1 2 3 4 5 6 7 8 9) in black ink on the bottom of the Your Numbers play area on the front of the Ticket and covered with latex coating and overprinting graphic.

### 2.1. Determination of Prizewinners

- A. The determination of prizewinners is subject to the general Ticket validation requirements set forth in Section 2 of these procedures; Minn. Stat. § 349A (Lottery Statute); Minn. R. 7857 (Lottery Prize Payments); and the requirements included on the back of each Scratch Ticket.
- B. To determine if a Ticket is a winning Ticket, the barcode printed under the latex on the bottom front of the Ticket must be scanned into a terminal connected to the Lottery computer system that must verify that the Ticket is a winning Ticket and the prize level of the winning Ticket. The revealed Symbols on the front of the Ticket do not determine if a Ticket is a winning Ticket. The revealable Symbols are intended for entertainment purposes only.
- C. An apparent prizewinner in the Double Match Scratch Game is determined when the play area on the front of the Ticket is scratched off to reveal the two (2) Winning Numbers, the ten (10) Your Number Symbols, and the ten (10) Prize Symbols.
- D. The holder of a Ticket who reveals three (3) identical Prize Symbols wins the amount indicated by one (1) of the three (3) identical Prize Symbols.
- E. The holder of a Ticket who reveals a Winning Number Symbol that matches any of the Your Numbers Symbols wins the amount indicated by the Prize Symbol immediately below the Your Number Symbol that matches either of the Winning Number Symbols.
- F. No portion of the Display Printing or any extraneous matter is usable or playable as part of the Double Match Scratch Game.

### 2.2. Scratch Ticket Validation Requirements

- A. To be valid, a Double Match Scratch Ticket must meet all the following requirements:

1. the Ticket must be intact;
  2. the Ticket Validation and Pack-Ticket Numbers must be legible. These numbers are used by the Lottery in its official validation process to determine if the Ticket contains a winner and the prize level of a winning Ticket;
  3. the Ticket must not be altered, reconstituted, or tampered with in any way;
  4. The signature on the Ticket must not have been removed, or altered in any way;
  5. the Ticket must not be counterfeit in any way in whole or in part;
  6. the Ticket must have been issued by the Lottery in an authorized manner;
  7. the Ticket must not have been stolen nor appear on any list of omitted Tickets or non-activated Tickets on file at the Lottery;
  8. the Validation Number of an apparent winning Ticket must be verified as a winning Ticket on the Lottery computer system and the Ticket must not have been previously paid; and
  9. the Ticket must not be printed or produced in error.
- B. The Ticket must pass all additional validation tests specified in these game rules, Minn. Stat. § 349A (Lottery Statute), Minn. R. 7857 (Lottery Prize Payments), and any confidential validation tests performed by the Lottery.
- C. Any Ticket not passing all the validation requirements is void and ineligible for any prize.

### 2.3. Procedure for Claiming Prizes

- A. The Lottery is not responsible for lost or stolen Tickets. The Lottery recommends that players use registered mail to send Tickets and Ticket Claim forms to the Lottery and that players keep a copy of the front and back of any Ticket sent.
- B. To claim a prize of less than six hundred dollars (\$600) a player must sign the back of the Ticket in the signature area and present the winning Ticket to any Lottery retailer, to Lottery headquarters at 2645 Long Lake Rd, Roseville, MN, or mail the Ticket to the Lottery at the P.O. box address printed on the back of the Ticket. The Lottery retailer or Lottery staff will verify the claim and, if valid, make payment of the amount due the player and physically void the Ticket. If a Lottery retailer cannot verify a claim, or does not have the funds on hand to pay a claim, the Lottery retailer will provide the player with a Ticket Claim form and instruct the player on how to file a claim with the Lottery. If the claim is validated by the Lottery, a check will be forwarded to the player in the amount due. If a

claim is not validated by the Lottery, the claim will be denied, and the player will be notified promptly.

- C. To claim a prize of six hundred dollars (\$600) to fifty thousand dollars (\$50,000), a player must sign the winning Ticket, fill out a Ticket Claim form and present both the Ticket and the Ticket Claim form at any Lottery office or mail both to the Lottery at the P.O. box address printed on the back of the Ticket. If the claim is validated by the Lottery, a check will be forwarded to the player for payment in the amount due less any appropriate debt set-off under Minn. Stat. § 270A and any applicable federal and state withholding tax. If the claim is not validated by the Lottery, the claim will be denied, and the player will be notified promptly.

#### 2.4. **Allowance for Delay of Payment**

The Lottery may delay payment of a prize pending a final determination by the Lottery under any of the following circumstances:

- A. if a dispute occurs or it appears likely that a dispute may occur regarding the prize;
- B. if a dispute occurs or it appears likely that a dispute may occur regarding the ownership of the Ticket;
- C. if there is any question regarding the identity of the claimant;
- D. if there is any question regarding the validity of the Ticket presented for payment; or
- E. if the claim is subject to any setoff for delinquent debts owed by the claimant under Minn. Stat. § 349A.08, subd. 8.

No liability for any delay will accrue to the benefit of the claimant pending payment of the claim.

#### 2.5. **Payment of Prizes to Persons Under Age 18**

No prize in the Double Match Scratch Game may be paid to a person under 18 years of age.

#### 2.6. **Scratch Ticket Claim Period**

All prizes must be claimed within one (1) year of the announced end of the game. If, however, the one (1) year deadline is a Saturday, Sunday, or a day that Minnesota State Lottery offices are closed, a claim must be submitted by the close of business the following business day.

#### 3.1. **Scratch Ticket Ownership**

- A. Until the area designated for a signature on the back of a Ticket is signed, a Ticket is considered owned by the physical possessor of said Ticket. Removed or altered signatures may void a Ticket; such a Ticket is ineligible for any prize. When a Ticket is signed in the designated area, the player whose signature appears in the signature area is considered the owner of the Ticket and is entitled to any prize attributable thereto.
- B. Notwithstanding any name or names submitted on a claim form, the Director will make payment to the player whose signature appears on the

back of the Ticket in the signature area. If more than one (1) name appears on the back of the Ticket in the signature area or more than one (1) person has agreed to share the prize and the prize being claimed is less than \$600, the Director will require that one (1) of those players whose name appears thereon or have agreed to share the prize be designated to receive payment. If more than one (1) name appears on the back of a Ticket or there is a valid agreement among more than one (1) person agreeing to share the prize and the prize being claimed is for \$600 or greater, the Director will make payment to each person who is a party to a valid prize-sharing agreement.

C. The Lottery is not responsible for lost or stolen Tickets.
