## GENERAL TERMS AND CONDITIONS

### 1. ESTIMATED AMOUNT.

If there is an estimated total dollar value of the Contract listed in the Special Terms and Conditions, this shall not be construed as either the minimum or maximum amount. It shall also be understood and accepted by the responder that any quantities shown in this RFB are estimated quantities only and impose no obligation upon the State either minimum or maximum.

### 2. TIME OF SUBMISSION.

All sealed responses must be received by the Minnesota State Lottery (MSL) by the due date and time. All responses will be time-stamped showing the date and time received. **Late responses will not be considered.**

### 3. ALTERATIONS OR ERASURES.

An alteration or erasure of any price contained in the response may be rejected unless the price figure is crossed out and the correction is initialed by the person signing the response. **This includes, but is not limited to, correction fluid and typewriter correction tape.**

### 4. AUTHORIZED SIGNATURE.

The response must be fully and properly executed by an officer or other authorized representative of the responder. If the responder is a corporation, a secretarial certificate or the corporate minutes showing that the signing officer has authority to contractually obligate the corporation should be furnished. Where the corporation has designated an attorney-in-fact, the power of attorney form should be furnished. If the responder is a partnership, a letter of authorization should be furnished signed by one of the general partners. A sole proprietor must sign the response. Proof of authority of the person signing the response must be furnished upon request.

### 5. FACSIMILE OR EMAIL RESPONSES.

Neither facsimile nor e-mail responses will be considered unless specifically authorized by the State in the RFB document.

### 6. ACCEPTANCE OR REJECTION OF RESPONSES.

The State reserves the right to accept or reject any or all responses, or parts of responses, and waive any informalities.

### 7. ADDENDA TO THE RFB.

Changes to the RFB will be made by written addendum and located on the MSL Vendor website at <https://www.mnlottery.com/vendors/>. Any addenda issued will become part of the RFB. Each responder must follow the directions on the addendum. All requests for clarification must be directed to the contact person listed in the RFB.

### 8. RESPONDER ERRORS.

Prior to the opening of sealed responses any responder may withdraw its response by notifying the MSL in writing of the desire to withdraw, by appearing in person at OSP and withdrawing the response, or by facsimile received by the director, requesting withdrawal of the response.

Subsequent to the opening of sealed responses, a responder may withdraw a response only upon showing that an obvious error exists in the response. The showing and request for withdrawal must be made in writing to the director within a reasonable time after the opening of the response and prior to the State's detrimental reliance on the response.

### 9. IDENTIFICATION OF OFFER.

Responses shall indicate brand name, trademark, catalog number, model, etc., as applicable, on the response form for the products offered. If products offered are other than specified, the response should include descriptive literature with illustrations.

### 10. SPECIFICATIONS.

Responses will be held to strict compliance with the specifications. If a response deviates from the specifications, the deviation must be clearly noted and the State reserves the right to reject the response. All specifications are for new items unless otherwise noted in the RFB document. Alternate responses offering lower quality will not be considered. The State reserves the right to reject any or all responses that are not an approved equal.

### 11. MATERIAL DEVIATION.

The responder shall be presumed to be in agreement with these terms and conditions unless it takes specific exception to one or more of the conditions. Submission by the responder of its proposed language shall not be viewed as an exception unless the responder specifically states in the response that its proposed changes are intended to supersede the State's terms and conditions.

**Responders are cautioned that by taking any exception they may be materially deviating from the request for bid. If a responder materially deviates from the general terms and conditions, special terms, conditions and specifications, its response may be rejected.**

A material deviation is an exception to the RFB General or Special Terms and Conditions, and specifications that:

- a. Gives the responder taking the exception a competitive advantage over other responders, or
- b. Gives the State something significantly different from that which the State requested.

## **12. SAMPLES.**

When required, samples are to be furnished at no charge. Except for those destroyed or mutilated in testing, samples will be returned to the responder, at its expense, if requested in the response.

## **13. DELIVERY.**

The responder is to state the delivery time offered in the space provided on Page 2 of the RFB. When delivery time is an important factor, it will be stated in the Special Terms and Conditions, and may be a factor in the award. The State reserves the right to reject a lower-priced response that offers delayed or protracted delivery in favor of a higher priced response offering a more timely delivery. Such responders are obligated to deliver within the quoted lead times. If delivery is not made within that time frame, the State reserves the right to purchase necessary quantities from alternate sources and charge any price premium to the Contract Vendor.

## **14. PRICES.**

Prices shall remain firm for the initial term of the Contract unless otherwise stated in the Special Terms and Conditions. A unit price and a total for the quantity must be stated for each item quoted. In case of an error in the total price, the unit price will prevail. Prices must be quoted in United States currency.

- a. **Transportation.** All prices shall be FOB Destination, prepaid and allowed (with freight included in the price), to the ordering agency's receiving dock or warehouse unless otherwise stated in the Special Terms and Conditions. Price reductions must be passed on immediately to the State whenever they become effective. In those situations in which the "deliver-to" address has no receiving dock or agents, the Contract Vendor must be able to deliver to the person specified on the PO.
- b. **Price Decreases.** During the life of the Contract, any or all temporary price reductions, promotional price offers, introductory pricing, or any other offers or promotions that provide prices lower than or discounts higher than those stated in the Contract, must be given immediately to the entities eligible to purchase from the Contract. Invoices for goods ordered or shipped or services performed during the decrease, or promotion, must immediately reflect such pricing.
- c. **Price Increases.** After the initial term of the Contract, a price increase may be allowed based upon a demonstrable industry wide or regional increase in the Contract Vendor's costs. Documentary evidence must be submitted prior to a proposed price increase. The amount of any increase is not to exceed 10 percent for any commodity/service over the life of the Contract unless approved in writing by the OSP Assistant Director. The exact amount of increase, if any, will be governed by the validity of the documentary evidence submitted and requires the written authorization of the Assistant Director. No price increase will be effective until approved by the Acquisition Management Specialist and set forth in a fully executed amendment to the Contract.

## **15. PAYMENT.**

Minn. Stat. § 16A.124 requires payment within 30 days following receipt of an undisputed invoice, merchandise or service whichever is later. Terms requesting payment in less than 30 days will be changed to read "Net 30 days." The ordering entity is not required to pay the Contract Vendor for any goods and/or services provided without a written purchase order or other approved ordering document from the appropriate purchasing entity. In addition, all goods and/or services provided must meet all terms, conditions and specifications of the Contract and the ordering document and be accepted as satisfactory by the ordering entity before payment will be issued.

**Conditions of Payment.** The Contract Vendor under this Contract must be in accordance with the Contract as determined by the sole discretion of the State's Authorized Representative and be in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations including business registration requirements of the State's Office of the Secretary of State.

## **16. CASH DISCOUNT TERMS.**

Discounts offered for less than 30 days will not be considered in making the award. The date from which discount time is calculated shall be the date of receipt of the invoice, receipt of shipment or date of acceptance, whichever is later. If testing is performed, however, then the date shall be the date of acceptance of the goods or services.

## 17. CONDITION AND PACKING.

Packaging and packing, if not specifically stated in the RFB document or specifications, must conform to the best commercial practices and ensure delivery in good condition. Goods must be marked and packing slips included to permit checking shipments against purchase orders and invoices.

## 18. PUBLICITY.

Any publicity given to the program, publications or services provided resulting from a State contract for goods or services, including but not limited to notices, informational pamphlets, press releases, research, reports, signs and similar public notices prepared by or for the Contract Vendor, or its employees individually or jointly with others, or any subcontractors, shall identify the State as the sponsoring agency and shall not be released, unless such release is a specific part of an approved work plan included in the Contract prior to its approval by the Office of State Procurement Acquisition Management Specialist and the Department of Administration Communications Office.

The Contract Vendor shall make no representations of the State's opinion or position as to the quality or effectiveness of the products and/or services that are the subject of this Contract without the prior written consent of the Department of Administration. Representations include any publicity, including but not limited to advertisements, notices, press releases, reports, signs, and similar public notices.

## 19. TAXES.

**Do not** add sales tax to the prices being offered. Unless otherwise instructed by the State, agencies will pay all applicable taxes directly to the Department of Revenue. Per Department of Revenue Tax Fact Sheet 142, State agencies are required to submit an ST3 form to their suppliers. See <http://www.revenue.state.mn.us>.

If orders are issued by Cooperative Purchasing Venture (CPV) Members, the Contract Vendor should confirm all of the tax requirements with the ordering entity.

## 20. ACTING IN CASES OF DOUBTFUL RESPONSIBILITY.

If the Purchasing Manager, on the basis of available evidence, concludes that a particular vendor appears to be insufficiently responsible to ensure adequate performance, the response may be rejected.

## 21. NONRESPONSIVE OFFERS.

Responses that do not comply with the RFB will be considered nonresponsive and will be rejected.

## 22. COPYRIGHT.

The responder shall save and hold harmless the State of Minnesota, its officers, agents, servants and employees, from liability of any kind or nature, arising from the use of any copyrighted or noncopyrighted composition, secret process, patented or nonpatented invention, article or appliance furnished or used in the performance of the Contract.

## 23. AWARD.

Unless otherwise provided for in the RFB, the award will be made to the lowest responsible vendor meeting the specifications and all terms and conditions. Unless otherwise stated in the Special Terms and Conditions, the State reserves the right to award items separately, by grouping items, by total lot or by issuing multiple awards to more than one responder. The State reserves the right to accept all or part of an offer, to reject all offers, to cancel the solicitation, or to re-issue the solicitation, whichever is in the best interest of the State.

- a. **Low-Tied Responses.** Low-tied responses will be referred to the director of OSP. The director or delegate may enter into negotiation with the low-tied responders when the director deems such action to be in the best interest of the State.
- b. **TG/ED Preference.** Unless a greater preference is applicable and allowed by law, in accordance with Minn. Stat. § 16C.16, Subds. 6 and 7, eligible certified targeted group (TG) businesses will receive a 6 percent preference and certified economically disadvantaged (ED) businesses will receive a 6 percent preference in the evaluation of their response. The preference is applied only to the first \$2,000,000 of the response. At the time of the solicitation opening date and time, eligible TG or ED businesses must be currently certified by the Office of State Procurement. If the business is a manufacturer's representative, the business must have the manufacturer's agreement approved prior to the solicitation opening date and time.

To verify TG/ED certification, refer to the Office of State Procurement's web site at [www.mmd.admin.state.mn.us](http://www.mmd.admin.state.mn.us) under "Vendor Information, Directory of Certified TG/ED Vendors."

To verify TG eligibility for preference, refer to the Office of State Procurement's web site under "Vendor Information, Targeted Groups Eligible for Preference in State Purchasing" or call the OSP HelpLine at 651.296.2600.

- c. **Veteran-Owned Small Business Preference.** Unless a greater preference is applicable and allowed by law, in accordance with Minn. Stat. § 16C.16, subd. 6a, the Commissioner of Administration will award a 6% preference in the amount bid on state procurement to certified small businesses that are majority owned and operated by veterans.

A small business qualifies for the “veteran-owned” preference when it meets one of the following requirements. 1) The business has been certified by the Office of State Procurement as being a veteran-owned or service-disabled veteran-owned small business. 2) The principal place of business is in Minnesota AND the United States Department of Veterans Affairs verifies the business as being a veteran-owned or service-disabled veteran-owned small business under Public Law 109-461 and Code of Federal Regulations, title 38, part 74 (Supported By Documentation). See Minn. Stat. § 16C.19(d).

Submit the appropriate documentation with the solicitation response to claim the veteran-owned preference. Statutory requirements and documentation must be met by the solicitation response due date and time to be awarded the preference. The preference applies only to the first \$2,000,000 of a solicitation response.

- d. **Reciprocal Preference.** In accordance with Minn. Stat. §16C.06, subd 7, a Resident Vendor shall be allowed a preference over a non-resident vendor from a state that gives or requires a preference to vendors from that state. The preference shall be equal to the preference given or required by the state of the non-resident vendor. If you wish to be considered a Minnesota Resident vendor you must claim that by filling out the Resident Vendor Form included in this solicitation and include it in your response.

#### **24. COMPETITION IN RESPONDING.**

The State desires and encourages free and open competition among responders. Whenever and wherever possible, the State’s specifications and the General Terms and Conditions will be designed to accomplish this objective, consistent with the necessity to satisfy the State’s needs and while obtaining best value. Any evidence of collusion among responders in any form designed to defeat competitive responses will be reported to the Minnesota Attorney General for investigation and appropriate action. Suggestions from responders regarding the requirements of the RFB procedures are welcome and will be given careful consideration.

#### **25. GOVERNING LAW.**

The RFB and the Contract will be construed in accordance with and performance governed by the laws of the State of Minnesota. Except to the extent that the provisions of the Contract are clearly inconsistent therewith, the Contract will be governed by the Uniform Commercial Code (UCC) as adopted by the State of Minnesota. To the extent the Contract entails delivery or performance of services, the services will be deemed “goods” within the meaning of the UCC, except when to deem such services as “goods” is unreasonable.

#### **26. LAWS AND REGULATIONS.**

Any and all services, articles or equipment offered and furnished must comply fully with all local, State, and federal laws and regulations, including Minn. Stat. § 181.59 prohibiting discrimination and business registration requirements of the Minnesota Secretary of State’s Office.

By submitting a response to this Request for Bid a Responder voluntarily agrees to be subject to the jurisdiction of Minnesota for all proceedings arising out of this RFB, any ensuing Contract, or any breach thereof.

#### **28. SEVERABILITY.**

If any provision of the Contract, including items incorporated by reference, is declared or found to be illegal, unenforceable, or void, then both the State and Contract Vendor will be relieved of all obligations arising under the provision; if the remainder of the Contract is capable of performance, it will not be affected by the declaration or finding and will be fully performed.

#### **29. SURVIVABILITY.**

The following rights and duties of the State and responder will survive the expiration or cancellation of the resulting Contract(s). These rights and duties include, but are not limited to the paragraphs on Indemnification and Hold Harmless, State Audits, Government Data Practices, Governing Law, Jurisdiction and Venue, Intellectual Property Indemnification,

Publicity and Admin Fees. Software licenses, warranty, maintenance agreements and service agreements that were entered into under the terms and conditions of the Agreement shall survive the expiration or termination of this Agreement.

### **30. ASSIGNMENT.**

The Contract Vendor shall not sell, transfer, assign, or otherwise dispose of the Contract or any portion hereof or of any right, title, or interest herein without the prior written consent of the State's authorized agent. Such consent shall not be unreasonably withheld. The Contract Vendor shall give written notice to the State's authorized agent of such a possibility at least 30 days prior to the sale, transfer, assignment, or other disposition of the Contract. Failure to do so may result in the Contract Vendor being held in default. This consent requirement includes reassignment of the Contract due to a change in ownership, merger, or acquisition of the Contract Vendor or its subsidiary or affiliated corporations. This section shall not be construed as prohibiting the Contract Vendor's right to assign the Contract to corporations to provide some of the services hereunder. Notwithstanding the foregoing acknowledgment, the Contract Vendor shall remain solely liable for all performance required and provided under the terms and conditions of the Contract.

### **31. CONFLICT OF TERMS.**

In the event of any conflict between the General Terms and Conditions, and any Special Terms and Conditions, the Special Terms and Conditions govern.

### **34. CANCELLATION OF THE CONTRACT.**

The Contract may be cancelled by the State or the commissioner of Administration at any time, with or without cause, upon 30 days' written notice to the Contract Vendor. In the event the Contract Vendor is in default, the Contract is subject to immediate cancellation to the extent allowable by applicable law. In the event of cancellation, the Contract Vendor shall be entitled to payment, determined on a pro rata basis, for products, work or services satisfactorily received, performed and accepted.

### **35. FORCE MAJEURE.**

Neither party hereto shall be considered in default in the performance of its obligations hereunder to the extent that performance of any such obligations is prevented or delayed by acts of God, war, riot or other catastrophes beyond the reasonable control of the party unless the act or occurrence could have been reasonably foreseen and reasonable action could have been taken to prevent the delay or failure to perform. A party defaulting under this provision must provide the other party prompt written notice of the default and take all necessary steps to bring about performance as soon as practicable.

### **36. COPYRIGHTED MATERIAL WAIVER.**

The State reserves the right to use, reproduce, and publish responses in any manner necessary for State agencies and local units of government to access the responses, including but not limited to photocopying, State Intranet/Internet postings, broadcast faxing, and direct mailing. In the event that a response contains copyrighted or trademarked materials, it is the responder's responsibility to obtain permission for the State to reproduce and publish the information, regardless of whether the responder is the manufacturer or reseller of the products listed in the materials. By signing its response, the responder certifies that it has obtained all necessary approvals for the reproduction and/or distribution of the contents of its response and agrees to indemnify, protect, save and hold the State, its representatives and employees harmless from any and all claims arising from the violation of this section and agrees to pay all legal fees incurred by the State in the defense of any such action.

### **40. NOTICE TO RESPONDERS.**

Pursuant to Minn. Stat. § 270C.65, subd. 3, Contract Vendors are required to provide their Federal Employer Identification Number or Social Security Number. This information may be used in the enforcement of federal and State tax laws. Supplying these numbers could result in action to require a Contract Vendor to file tax returns and pay delinquent tax liabilities. These numbers will be available to federal and State tax authorities and State personnel involved in the payment of State obligations.

### **41. HAZARDOUS SUBSTANCES.**

To the extent that the goods to be supplied to the State by the Contract Vendor contain or may create hazardous substances, harmful physical agents or infectious agents as set forth in applicable State and federal laws and regulations, the Contract Vendor must provide the State with Material Safety Data Sheets regarding those substances. The Contract Vendor shall indemnify, protect, save and hold harmless the State, its representatives and employees, from any and all claims or causes of action, including all legal fees incurred by the State arising from the performance of the Contract by the Contract Vendor or its agents, employees, or subcontractors. This clause shall not be construed to bar any legal remedies the Contract Vendor may have with the State's failure to fulfill its obligations pursuant to the Contract.

For clarification and not as a limitation, the Contract Vendor hereby expressly extends, in addition to the other terms, conditions and specifications of the Contract, the foregoing defense and indemnification obligations to Cooperative Purchasing Venture (CPV) Members, including Board of Trustees of the Minnesota State Colleges and Universities, in addition to Agency as defined in Minn. This limitation of liability does not apply to damages for personal injury or death, or to Contractor's obligation to indemnify, defend and hold the State harmless against intellectual property infringement claims under paragraphs titled and included in this Agreement. This indemnification does not include liabilities caused by the State's gross negligence or intentional wrong doing of the State.

### **44. DEFAULT.**

A State purchase order constitutes a binding Contract. All commodities and/or services furnished will be subject to inspection and acceptance by the ordering entity after delivery. No substitutions or cancellations are permitted without written approval of the State contracting agency. Back orders, failure to meet delivery requirements, or failures to meet specifications in the purchase order and/or the Contract authorizes the ordering entity to cancel the Contract or purchase order, or any portion of it, purchase elsewhere, and charge the full increase in cost and administrative handling to the defaulting Contract Vendor. In the event of default, the State reserves the right to pursue any other remedy available by

law. A Contract Vendor may be removed from the vendors list, suspended or debarred from receiving a Contract for failure to comply with terms and conditions of the Contract, or for failure to pay the State for the cost incurred on the defaulted Contract.

**45. CERTIFICATION REGARDING FEDERAL DEBARMENT, SUSPENSION, INELIGIBILITY, AND VOLUNTARY EXCLUSION.**

A contract resulting from this solicitation may be a covered transaction for purposes of federal debarment and suspension regulations. By submission of its response, the responder certifies that neither it, nor its principals or subcontractors, are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency. The responder further certifies that it will include this provision in any subcontracts resulting from this solicitation. If the responder knowingly renders an erroneous certification, in addition to remedies available to the Minnesota Department of Administration, the Federal Government may pursue available remedies, including but not limited to suspension or debarment.

**46. NONCOLLUSION CERTIFICATIONS.**

The responder shall complete and submit the Affidavit of Noncollusion.

**47. DISPOSITION OF RESPONSES.**

All materials submitted in response to this RFB will become property of the State and will become public record after the evaluation process is completed and an award decision made. If the responder submits information in response to this RFB that it believes to be trade secret materials, as defined by the Minnesota Government Data Practices Act, Minn. Stat. § 13.37, the responder must:

- a. clearly mark all trade secret materials in its response at the time of the response is submitted;

- c. defend any action seeking release of the materials it believes to be trade secret, and indemnify and hold harmless the State, its agents and employees, from any judgments awarded against the State in favor of the party requesting the materials, and any and all costs connected with that defense. This indemnification survives the State's award of a contract. In submitting a response to the RFB, the responder agrees that this indemnification survives as long as the trade secret materials are in possession of the State. The State is required to keep all the basic documents related to its contracts, including responses to RFBs, for a minimum of seven years.

The State will not consider the prices submitted by the responder to be trade secret materials.

**48. GOVERNMENT DATA PRACTICES.**

The Contract Vendor and the State must comply with the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, (and where applicable, if the State contracting party is part of the judicial branch, with the Rules of Public Access to Records of the Judicial Branch promulgated by the Minnesota Supreme Court as the same may be amended from time to time) as it applies to all data provided by the State to the Contract Vendor and all data provided to the State by the Contract Vendor. In addition, the Minnesota Government Data Practices Act applies to all data created, collected, received, stored, used, maintained, or disseminated by the Contract Vendor in accordance with this Contract that is private, nonpublic, protected nonpublic, or confidential as defined by the Minnesota Government Data Practices Act, Ch. 13 (and where applicable, that is not accessible to the public under the Rules of Public Access to Records of the Judicial Branch).

In the event the Contract Vendor receives a request to release the data referred to in this article, the Contract Vendor must immediately notify the State. The State will give the Contract Vendor instructions concerning the release of the data to the requesting party before the data is released. The civil remedies of Minn. Stat. § 13.08, apply to the release of the data by either the Contract Vendor or the State.

The Contract Vendor agrees to indemnify, save, and hold the State of Minnesota, its agent and employees, harmless from all claims arising out of, resulting from, or in any manner attributable to any violation of any provision of the Minnesota Government Data Practices Act (and where applicable, the Rules of Public Access to Records of the Judicial Branch), including legal fees and disbursements paid or incurred to enforce this provision of the Contract. In the event that the Contract Vendor subcontracts any or all of the work to be performed under the Contract, the Contract Vendor shall retain responsibility under the terms of this paragraph for such work.

**49. AMERICANS WITH DISABILITIES ACT (ADA).**

Products provided under the Contract must comply with the requirements of the Americans with Disabilities Act (ADA). The Contract Vendor's catalog and other marketing materials utilized to offer products under the Contract must state when a product is not in compliance. If any descriptive marketing materials are silent as to these requirements, the Contract Vendor agrees that the customer can assume the product meets or exceeds the ADA requirements.

## 50. HUMAN RIGHTS/AFFIRMATIVE ACTION.

The State requires affirmative action compliance by its Contract Vendors in accordance with Minn. Stat. § 363A.36 and Minn. R. 5000.3400 to 5000.3600.

One-time acquisitions, or a contract for a predetermined amount of goods and/or services, where the amount of your response is in excess of \$100,000 requires completion of the Affirmative Action Certification page. If the solicitation is for a contract for an indeterminate amount of goods and/or services, and the State estimated total value of the contract exceeds \$100,000 whether it will be a multiple award contract or not, you must complete the Affirmative Action Certification page. If the contract dollar amount or the State estimated total contract amount exceeds \$100,000 and the Contract Vendor employed more than 40 full-time employees on a single working day during the previous 12 months in Minnesota or in the state where it has its principal place of business, the Contract Vendor must comply with the requirements of Minn. If an organizational conflict of interest is determined to exist, the State may, at its discretion, cancel the Contract. In the event the Contract Vendor was aware of an organizational conflict of interest prior to the award of the Contract and did not disclose the conflict to the AMS, the State may terminate the Contract for default. The provisions of this clause shall be included in all subcontracts for work to be performed, and the terms "Contract," "Contract Vendor," and "AMS" modified appropriately to preserve the State's rights.

However, "trade secret information" as defined in Minn. Stat. § 13.37, subd. 1(b), cannot be disclosed to the public. All data that does not meet the definition of trade secret as defined by Minn. Stat. §13.37, Subd. 1(b) will become public in accordance with Minn. Stat. §13.591. ## Environmental Reports

**Environmental Preference.** A proportional preference of up to 10% will be given for post-consumer (PC) recycled content. (Note: No preference will be given for recycled content less than 10%) For example, 90% recycled content would get a 9% preference, and 30% recycled content would get a 3% preference. The recycled content must be substantiated by the manufacturer's published document, such as a specification sheet or product brochure. The document must accompany the response in order to obtain the preference.

**Claims of recycled content without valid documentation included in the response will not receive a preference.**

### Post-Consumer Recycled Content

If you want the preference for PC recycled content check here:

Is documentation attached? Yes  No

**Claims of recycled content without valid documentation included in the response will not receive a preference.**

If all items are the same recycled content percentage, record that percentage here: \_\_\_\_\_

If the line items have different percentages, record the percentage per line in the table below:

Line Number	Percentage
Line 1	
Line 2	
Line 3	
Line 4	

(Use a separate sheet if more lines are needed)

The documentation must be clear and marked to show the applicable recycled content percentage. Failure to state the PC recycled content will result in no preference.

You can still mark your product with the environmental code RC and state a percentage of post-consumer content without documentation, but that information will be used for reporting purposes and not to apply a preference.

**Mercury:** As per Minnesota Statutes, the State cannot buy mercury in thermometers and certain other products. Please certify below if your product does or does not contain mercury. The actual product specification will stipulate if mercury is prohibited.

Does your product contain mercury? Yes  No

If yes, list the components that contain mercury:
